REPORT
OF THE
RECORD COMMISSIONERS.

This volume, the Twenty-fourth Report of the Record Commission, takes up the births in the town of Boston at the date reached in the Ninth Report, and contains all the births after 1699 recorded in two volumes of manuscript. It is needless to say that the record is approximately perfect only to 1745; after that date the number gradually diminishes till it becomes a small fraction of the births, which, of course, took place.

The Index has been made as exactly as possible on the same plan as those of the Ninth and Twenty-first Reports. The grouping of names is intended to be a convenience to the reader, but does not necessarily bring together all the different forms of spelling of every name.

The following birth ought to have been printed in the Ninth Report:

Sarah daughter of Ezekiel Cleasby and Sarah his wife born 20 September 1691.

The following entry also relates to the same report :

“ Benjamin Son of Joseph & Esther Roberts born 30 April 1696.

N.B. Benjamin Roberts is Registered by the Name of *Samuel* in the Registry of Births within the Town of Boston by Mistake of the Name, and now Entred, from the Information of his Mother, Esther Roberts, this 27th April 1736 being Present in the Office with her said Son.”

The editorial work of the present volume has been done by W. S. Appleton, of the original Record Commission.

The City Registrar, upon whom has devolved the duties of the Record Commissioners, desires to express his thanks to Mr. Appleton for his kindness in preparing this volume. It has seemed best to continue the old name of Reports of the Record Commission until the series is completed.
